Dear Parents/Carers,

Thank you to everyone who returned a feedback form with your thoughts on before and after school club provision. We are collating the responses. Unfortunately, Albion in the community can no longer provide our Wednesday and Thursday clubs because of the small numbers taking up places but we are finalizing plans for Ian Dove from South East Multisport to run a club after school on a Friday and we hope to confirm this shortly. Also, we are looking to extend club provision further for Term 4 but will need your support for this to be successful. More details will follow.

So far, these are the clubs on offer during Term 4.

- To book a place and pay for Cookery Club and Multisports (tbc) log onto Parentmail from 7th January
- Are there any parents/grandparents who would like to run an afterschool club? Please contact Mrs Kinsella.
